## Beginning a New Year

### Nobles of Misr Temple

First let me say that I am very proud to be a member of Misr # 213. I was a visitor of the Temple when I got stationed here in 2003. I really felt the Phamily love of friendship and fellowship that the members of Misr showed me. In 2008 I transfered from Menes # 32 to Misr # 213 and have been loving it even more.

In December 2009 I was elected Potentate for the 2010 shrine year. We held our Desert conference business meeting on January 30 2010 at the Bowie Library, and in March we held our Desert Conference/Gala days up in Ocean City MD along with a parade. This is the start of something good for the Desert of Maryland.

This year has gotten off to a slow start with the two snow storms that hit our area, but we put in it gear and had our annual Prayer Breakfast a month later. I made a commitment to help the food bank of Charles & Prince George's Counties to assist families that are going through hard times. Our Legion of Honor members will be taking the lead on this project for the Temple. In the coming months we are looking to our 2<sup>nd</sup> annual community day with our Daughters of Misr Court # 193. And our newest class from 2009 (the 4 Pharaohs) will be planning their class fund raiser, a clown car wash, stay ready for this one. Jubilee Day is coming up soon and we want to remind everyone that this is a mandatory event for all Nobles.

Allen D. McKenzie,  
Illustrious Potentate

Nobles please assist me and the Divan of Misr Temple in our endeavors for 2010 and beyond. We need each and every one of you to be a part of your Temple's activities.

## Temple Programs and Teams

The Temple Divan is encouraging all Nobles to participate in the Temple's programs and and various orgqanized teams. We are actively recruiting for Drill Team, Strollers, Clowns, Shriners as Mentors, and the various committees needed to carry out the programs put forth in the Trestle Board. If you feel that you want to participate please contact any member of the Divan and they will make sure you are put in contact with the correct Team Leader or the correct committee chairman. We can go far with your support.
